

Some items should be taken care of as soon as possible, and other items are things we would like you to be aware of but are not due **until after you update** to HDMS version 3.3 this fall (September)
We will reflect these in Blue for your convenience.

General Items:

Alert! Universal Software is having a sale on our Version Update Service, please contact us if you would like to hear more about this, or confirm within your organization that your company will be responsible for performing the update.

Sale! 40 % OFF a set of three prepaid major version releases! Originally \$900.00, **now only \$540.00!**

Medicare EDI Actions Needed:

Renew Trading Partner ID with CEDI "www.ngscedi.com" under EDI Enrollment link Due By: 8/31/11

Alert! If at any time in the upcoming months your CEDI password changes, you must notify your Medicare EDI Host (Ability or Zirmed) *Informational only*

Once the v3.3 HDMS update has been performed, but before sending 5010 files CEDI requires your organization to complete the CEDI Production Migration form found on "www.ngscedi.com" under 5010 and D.0 Implementation link Due By: 12/31/11

Michigan Medicaid EDI Actions Needed:

Once the v3.3 HDMS update has been performed, but before sending 5010 files Medicaid requires [Providers that submit files directly to Michigan Medicaid only](#) to complete testing with them directly. For more instructions please visit the USS Forums, under Current Development Projects Due By: 12/31/11

Zirmed Action Items Needed:

Once the v3.3 HDMS update has been performed, but before sending 5010 files Through Zirmed, please call Zirmed and indicated that you are ready to put 5010 into production. Due By: 12/31/11

All Unsupported EDI Hosts or Direct File Uploads:

As a reminder, USS is not responsible for 5010 testing with any EDI gateway or payer site that is not supported by HDMS. If you submit or received claims from a host that does not appear in our ANSI 5010 Testing notes on the USS Forums, testing will not be completed by USS. **For questions, please contact USS Support at (810) 653-5000 x 1** Informational Only
